

As we, the class of Nineteen Hundred and Eighty-three, enter upon the threshold of life, many challenges await us on the road ahead. These may result in either success or failure, but no matter how disheartened we may become, we can always look back at our "golden high school years" with pride and satisfaction in our accomplishments. This ninety-ninth edition of the Oak, Lily, and Ivy will preserve some of these priceless memories forever.

MILFORD HIGH SCHOOL

West Fountain Street
Milford, Massachusetts
473-0018

Robert F. Pagnini, Principal

David P. Hayes, Assistant Principal

Joyce E. Phillips, Assistant Principal

Class of 1983,

The Milford High School Class of 1983 will be remembered as a class with unity of purpose, willing to work together for a common goal. This unified spirit has had a positive effect on the atmosphere of our school.

after you leave M. H. S., your enthusiasm and special quality of caring for each other will help you in achieving your life's goals. To each and every one of you I wish the best of luck in the future.

Sincerely,

Robert F. Pagnini

We would like to take this opportunity to welcome Dr. Thomas Cimino to Milford and its school system. We are very fortunate to have such a dedicated and experienced administrator, and we wish him the very best of luck in the future.

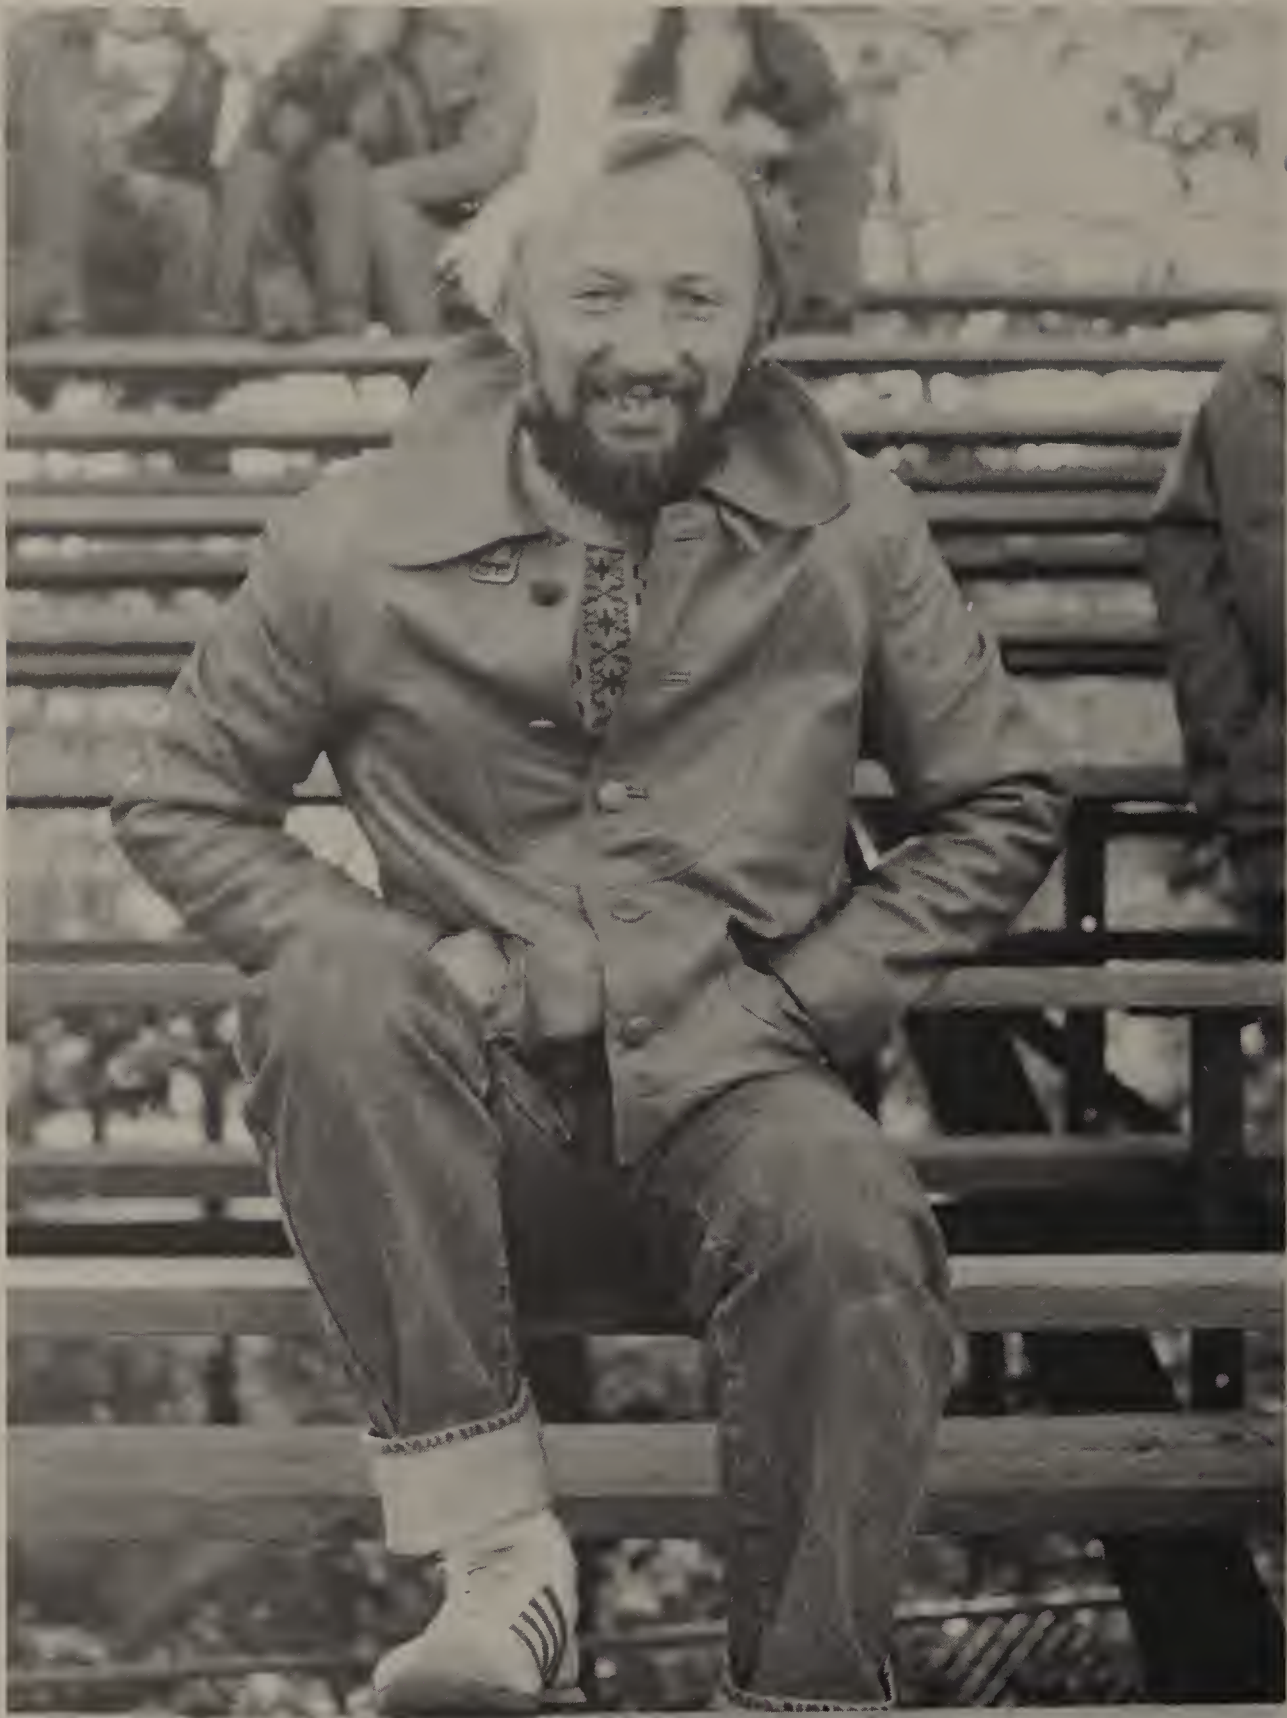

Mr. Ferdi Gunduz and Mrs. Cynthia Grimes. A simple expression of gratitude would not be enough to show our appreciation for your dedication to the class of 1983. You have both supported and guided our class through some of the best years of our lives, and the spirit you have helped instill in us will never be forgotten.

We, the staff of the 1983 edition of the Oak, Lily, and Ivy, would like to extend our deepest appreciation to Mr. Russell Ridolfi and Mrs. Claudia Doherty. Without their patience, knowledge, and experienced guidance, none of this would have been possible. We thank them for the time, effort, and dedication they gave to our class.

We, the Class of Nineteen Hundred and Eighty Three, dedicate this Ninety-Ninth Edition of the Oak, Lily and Ivy to Mr. Ferdi Gunduz. As our advisor, Mr. Gunduz has devoted much time and energy to all our many and varied activities, and for this we owe him our deepest gratitude.

BEST OF TIMES

THE BEST OF TIMES

Tonight's the night we'll make history
Honey you and I
And I'll take any risk
To tie back the hands of time
And stay with you here tonight
I know you feel these are the worst of times
I do believe its true
When people lock their doors and hide inside
Rumor has it, its the end of Paradise
But I know if the world just passed us by
Baby I know, I wouldn't have to cry
The best of times are when I'm alone with you
Some rain, some shine
We'll make this a world for two
Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest
And someday we'll find
These are the best of times
The headlines read
These are the worst of times
I do believe its true
I feel so helpless like a boat against the tide
I wish the summer winds could bring back Paradise
But I know
If the world turned upside down
Baby I know
You'd always be around

— Styx

What is a friend?

A friend is one who tries to understand your moods and help you in time of trouble.

A friend is one who hears both sides of the story, before passing judgment.

A friend is one who doesn't turn against you to gain the friendship of others.

If your friend is not any of these, then he or she was never a true friend.

Precious Moments

Don't exclude yourself . . . from
precious moments
warm encounters
beautiful attitudes
majestic discoveries
flowing intimacies
sensory development
for all these are the jewels
placed in the crown of your destiny.

Time it was, and what a time it was
It was, a time
Of innocence, a time of
Confidences. Long ago, it
Must be, I have a photograph.
Preserve your memories. They're
All that's left you.

— "Bookends", Paul Simon

Good morning yesterday
 You wake up and time has slipped away
 And suddenly it's hard to find
 The memories we left behind
 Remember, do you remember
 The times of your lives

Tomorrow's yesterday
 You realize the years have flown away
 Success was always on our minds
 For many goals we sought to find
 Remember, do you remember
 The times of your lives

Remember our school days
 Where we enjoyed the times in many ways
 Togetherness was nothing new
 For as a class we learned and grew
 Together, let us remember
 The times of our lives

Though we
 drifted apart in distance
 I always
 think of you as being right here
 Though we have different interests
 our experiences are still the same
 and though we
 have many new friends
 it is our old and
 continuous friendship
 that means so much to me

— Susan Polis Schutz

Sometimes, not often enough,
 We reflect upon the good things.
 And those thoughts always center around those we love.
 And we think about the people who mean so much to us
 And for so many years have made us so very happy
 And we count the times we have forgotten to say thank-you
 And just how much we love them.

— The Carpenters

Don't cry when it would be
 just as easy to laugh
 Don't be afraid to express
 your true feelings
 Don't be ashamed of what
 you feel
 For you are the only one
 Who will ever truly know
 yourself
 You are the only one who
 can make your life what
 you want it to be.

What greater thing
is there
for two human souls
than to feel they
are joined for life —
to strengthen each other
in all labor,
to rest on each other
in all sorrow,
to minister
to each other
in silent
unspeakable memories . . .

— George Eliot

So often I sit and think
about the way things were —
The fun and friends
the joy we had
and the times of just being
together . . .
Of course there were some
days,
times we wondered how we
made it.
But our friendship helped us
through.

Now we may be separated
but the bond is still there.
Friendship holds us
Together.

— Joyce Brink

IN MEMORIAM

Lisa Alves

Andrew Ricci

The time has come for me to say goodbye
No sad farewells will we share
For you will live within me
And I will live with you
No words can say how much we care

Walk in the world for me
Sing a happy melody
And keep my memory not far away
May you find that life will bring
All the best of everything
Take special care of **you** for me today
Walk in the world for me

We've walked together on the dusty road of life
But kept our eyes upon a star
We've laughed at the little things
And cried along the way
I've come to know the friend you are
Walk in the world for me . . .

COACH: Dennis Breen

RECORD: 7-3, 6-1 Midland League

COMMENTS: The Milford High School Football Team of 1982 finished its season as Co-Champions of the Midland League with Hudson. Some highlights of the season were victories over Framingham South, Marlboro, Maynard, and Shrewsbury. "Our seniors provided outstanding leadership, in our quest for the championship and established a standard to be met by future football teams at Milford High."

Coach's Comments:

I was very pleased with the season. We displayed very many good techniques. Co-captains Mike Swift and Rich Piergustavo did an excellent job keeping the team at its best. But without the other senior members it wouldn't have been as easy. They were a very cooperative group of boys.

Coach's Comments:

The 1982 season got off to a slow start. However as the season progressed, numerous younger runners began to improve. The season was hampered by the loss of some fine runners from the previous season. The overall record did not depict the success of the team. The team had a couple close losses that could have been wins.

Coach's Comments

This year's varsity season ended up with a record of 8-9. All the games were very exciting and nerve racking. The Senior members were a very big plus, especially contributions of Ray Mastroinni who averaged 21 points a game and Mike Tempesta's defensive ability. Also George Pyne got off to score points and make a lot of rebounds. The efforts of Jude Madden, Tom Bird and Steve Jaworski were also a very big plus.

Coach's Comments

Our present record stands at 7-3. I am very pleased with the attitude and the determination of the girls. They are hard-working and strive towards perfection. Our hard work has paid off in that we can all notice the degree of improvement in the routines. We have also been honored by an invitation to compete in the Districts. Because we will be losing no seniors, we can look forward to an equally if not more successful season next year.

Meanwhile, behind the scenes ...

Aren't you ALL supposed to play?

They've faded new from wear and tear
The silly things remembered here.
Every moment great and small,
The times we've spent behind these
walls.

Shades of white and red so bold,
Fading new as they grow old.
Bits of streamers from games gone by,
Our prom bouquets wither and die.
This is what I think of now,
I remember clear somehow.
As I'm walking up to shake his hand,
The man who holds my life's game plan.

I believe it now, but sometimes not,
That all these things might be forgot,
Today has come, I dreamed so long,
It's over now, but nothing's wrong.
For soon we all must go our ways,
And live again a new today.
Dream your dreams, they do come true,
See? This day came true for you!!

There are so many people in the world —
 but there is only a handful,
 a few precious individuals
 that will ever become our friends,
 and fewer still
 that will remain our friends through life.
 And of all the people in the world,
 You and I
 have become friends in a wonderful
 way,
 for a lifetime together . . .
 for a lifetime to stay.

— Jamie Delare
